## COMMENCEMENT 2023

Chapman University is pleased to welcome the graduates and candidates of the Class of 2023 into the ranks of the alumni of the university.

We also welcome friends and family to our celebrations, appreciative of their contribution to our graduates' achievements through their support, sacrifice and encouragement.

Chapman University has made every attempt to include in this program all persons of recognition. If there have been errors of omission, please accept our sincerest apologies.

---

### MISSION STATEMENT

The mission of Chapman University is to provide personalized education of distinction that leads to inquiring, ethical and productive lives as global citizens.

---

### VISION STATEMENT

Chapman University will be a student-centered institution, recognized nationally and internationally as a center of academic and personal excellence that prepares our students to contribute to a global society.

# PRESIDENT'S WELCOME

---

Commencement marks both an ending and a beautiful beginning. Though your time as a Chapman student has concluded, you are now embarking on a journey into a future where curiosity drives your achievement. Equipped with your education, experiences and connections, you truly have the power to define your course from this moment onward.

Class of 2023, when you first set foot on Chapman University's campus, I imagine you could not conceive of the unique challenges you would face as a student during a lengthy pandemic. There may have been times when you wanted to give up or wondered if you would make it to graduation day. Nevertheless, you are here, surrounded by the love of your friends and families, and I hope you take immense pride in your achievement. Yours is a story of resilience, courage and ingenuity, and you will carry those qualities within you as you pursue your boldest dreams. You may encounter roadblocks along the way or change directions completely. But if you work toward your goals with the entirety of your passion, wisdom, talents and integrity, nothing can stop you.

Your education is the foundation for your future, and Chapman University stands with you as you embark on your journey to make your mark in the world. Here, you have cultivated your knowledge, broadened your worldview and formed deep relationships. I encourage you to stay in touch with those who supported you in your academic pursuits, whether professors, staff members or fellow students. If you nurture those bonds and keep them strong, they will last a lifetime. The Chapman Family will forever be your harbor in the storm, and we will cheer for you when you reach your day in the sun.

Congratulations, Panthers!

Daniele C. Struppa, Ph.D.

CHAPMAN UNIVERSITY

# *The* PHI BETA KAPPA *Society*

## *PSI Chapter of California at Chapman University*

In 2018, following a lengthy and rigorous application process, Chapman University was granted a chapter of Phi Beta Kappa – a significant achievement in the history of the university. The Phi Beta Kappa Society, founded on Dec. 5, 1776, at the College of William and Mary, is the nation's oldest and most prestigious academic honor society.

Phi Beta Kappa honors the best and brightest liberal arts and sciences undergraduates from top schools across the nation through a highly selective, merit-based invitation process. It is a rare honor. Just 10 percent of U.S. colleges and universities have Phi Beta Kappa chapters. These chapters select only 10 percent of their arts and sciences graduates to join. Phi Beta Kappa has nearly 50 alumni associations and more than half a million members worldwide. Noteworthy members include 17 U.S. Presidents, 40 U.S. Supreme Court Justices and more than 140 Nobel Laureates.

# CHEVERTON AWARD RECIPIENT

---

The Cheverton Award is bestowed on an outstanding graduating senior and is the highest student honor for undergraduates. The recipient is selected by faculty through a competitive process. The original bronze Cheverton Award cup remains on exhibit in Argyros Forum along with its successor, a silver bowl. The names of all Cheverton awardees since 1929 are engraved upon these trophies.

## **BEN JANDA '23**

Ben Janda is graduating with a Bachelor of Science in chemistry with a minor in spanish. He was heavily involved in undergraduate research, participating in Dr. Liberman-Martin's group investigating sustainable organocatalysis for organic reduction reactions. As part of the Schmid Student Leadership Council and a Beckman and Goldwater Scholar, he worked hard to influence and increase undergraduate research participation at Chapman. Ben will continue his chemical education by pursuing a Ph.D. in chemistry at the University of California, Los Angeles in the fall.

# DOTI AWARD RECIPIENTS

---

The James L. Doti Outstanding Graduate Student Award is bestowed annually and is the highest honor for graduate students at Chapman University. The original Doti Award trophy, incorporating artist Nick Hernandez's sculpture, *Emergence*, remains on perpetual exhibit in Argyros Forum. The names of all Doti Award recipients are engraved upon the trophy.

## **MAKENA METZ, M.A., M.F.A. '23**

Ms. Metz is an accomplished writer with many published pieces across various genres, including screenplays, short plays, animated short films and poetry. She was selected for the Association of Writers and Writing Programs' competitive Writer to Agent program this year for her talent as a fiction writer. Ms. Metz also excels as a graduate student instructor, using inclusive pedagogical approaches in self-designed courses. She has been an integral part of Chapman University's graduate programs, serving as an MFA program assistant, and assisting with admissions and event programming.

## **MICHAEL SAYER, Pharm.D., Ph.D. '23**

Dr. Sayer's dissertation reflects his passion for translational research in improving patient care and assisting with provider decision-making using data analytics, presenting his work at local, regional and national conferences. He has first-authored two manuscripts and co-authored a third in reputable journals, with contributions to other projects earning him co-authorship in coming years. He earned his teaching certificate from Chapman University School of Pharmacy (CUSP) and is graduating from the Ph.D. program with a high cumulative GPA. He served the community as a pharmacist during the pandemic as well as in community outreach programs, volunteered his time with in-class activities and mentored other CUSP students.

# GONFALONS

The gonfalons, or banners, used in the ceremonies represent the schools and colleges at Chapman University. The central focus of each one is a shield divided into four quadrants. The upper left quadrant holds the Chapman window, an architectural feature that may be seen on many campus structures and which has become an important Chapman icon. In the lower right quadrant is a representation of the Four Pillars comprising Chapman education: Intellectual, Spiritual, Social and Physical. The actual four pillars may be seen supporting the front portico of Memorial Hall. The remaining two quadrants in the shield contain images symbolizing aspects of the spirit of its school or college.

# ACADEMIC REGALIA

---

The tradition of academic processional and academic apparel goes back to the early days of the oldest European universities when gowns and hoods began to be required in the fourteenth century. Academic apparel indicates the most advanced degree held by the wearer. Bachelor's, master's and doctoral degrees are distinguished by the variation in sleeve length of the gowns and by the length and width of the edging of the hoods.

The color of the edging of the hood indicates the subject of degree (e.g., white for arts, tan for business, light blue for education, pink for music, gold for science, scarlet for theology), and the colors of the lining of the hood indicate the school from which the degree was received. Dark blue, or "Ph.D. blue," is reserved exclusively for the Doctor of Philosophy degree. The Ph.D. is the highest academic degree that can be earned and represents a rigorous and extensive program resulting in breadth and depth of knowledge and expertise in a discipline. The doctor's degree is further distinguished by the panels on the sides of the hood, the gold tassel on the cap, and the velvet trim on the gown.

Chapman University has designed special apparel for use by the members of the Board of Trustees. The Chapman trustee gowns are black with cardinal velvet and grey trim.

# EXPLANATION OF CANDIDACY

---

## CANDIDACY

Candidacy for degrees and academic honors is based on a preliminary review of the academic records of students applying for degree conferral in the respective term. Degrees and honors are considered official when all grades are received and all requirements for degree fulfillment and/or honors are met. Some students may have met all requirements, but because of printing deadlines, are not listed here as candidates.

## PARTICIPATION IN COMMENCEMENT

A student's participation in the Commencement ceremony does not guarantee or automatically imply graduation from Chapman University. A diploma will be issued only when all academic requirements are complete and all financial accounts are cleared.

# CHAPMAN UNIVERSITY ALUMNI ASSOCIATION

---

Congratulations, Class of 2023! You did it. You made it through the late nights of studying, the long days of research, copious amounts of caffeine, and you have now sailed past the finish line. You earned your degree from Chapman University. Your time as a Panther is only just beginning. You are now a part of a global community with more than 50,000 Chapman graduates. Welcome!

As a Chapman alumnus, the memories, lessons and relationships that you have formed during your time here will carry on into alumnihood. The Chapman alumni family is here for you, cheering you on wherever your next steps take you. You now have access to lifelong career services and resources, opportunities to attend events and volunteer, and a worldwide alumni network to leverage.

Our Chapman alumni lead inquisitive, ethical and productive lives to inspire the world around them. We cannot wait to see what you do next!

Once again, congratulations and welcome to the newest chapter of your Chapman story.

With Panther Pride,

Ralphie Giron (EMBA '14)

# GUIDELINES FOR GUESTS

---

## EMERGENCY AID

Basic emergency medical care is available on campus during Commencement. First-aid stations are located on Wilson Field. Please contact a public safety officer or Chapman Commencement team member for immediate assistance.

## GIFTS AND MEMORABILIA

The Agora Gift Shop is open in Argyros Forum, first floor.

Flower vendors are located across campus for purchase of fresh leis and wrapped flowers.

## PHOTOGRAPHS

Professional photographers from Best Grad Photo will be onstage to take photos of each graduate. Family members and guests may not be near the stage during the ceremony to take photos. Best Grad Photo will send proofs and ordering information directly to graduates shortly after Commencement. Guests are requested to remain in their seats and not approach the graduates at any time during the ceremony.

## PHOTO RELEASE

Chapman University's Commencement ceremonies are public events that are videotaped, photographed and recorded. By attending, graduates and guests give permission for the university to photograph and record their voices and likenesses in all proceedings. Chapman University reserves the right to convert recordings and photographs into any format that exists now or may be devised in the future for the purposes of archiving or broadcasting such images and sound recordings.

## RESTROOMS

Portable sanitation trailers are located in front of the Fish Interfaith Center and outside Wilson Field near the northwest gate at Walnut Street. Guests with disabilities should use accessible restrooms in nearby buildings. A map is located on the opposite page.

## PROHIBITED ITEMS

The university requests the cooperation of all graduates and guests in observing strict regulations required for protection of venue surfaces. No food, beverages, chewing gum, cigarettes, party novelties, confetti, balloons or pets are permitted at ceremonies. Guests are asked to discard or put away prohibited items when on Wilson Field. Water stations are provided on the field by the university for guests' comfort.

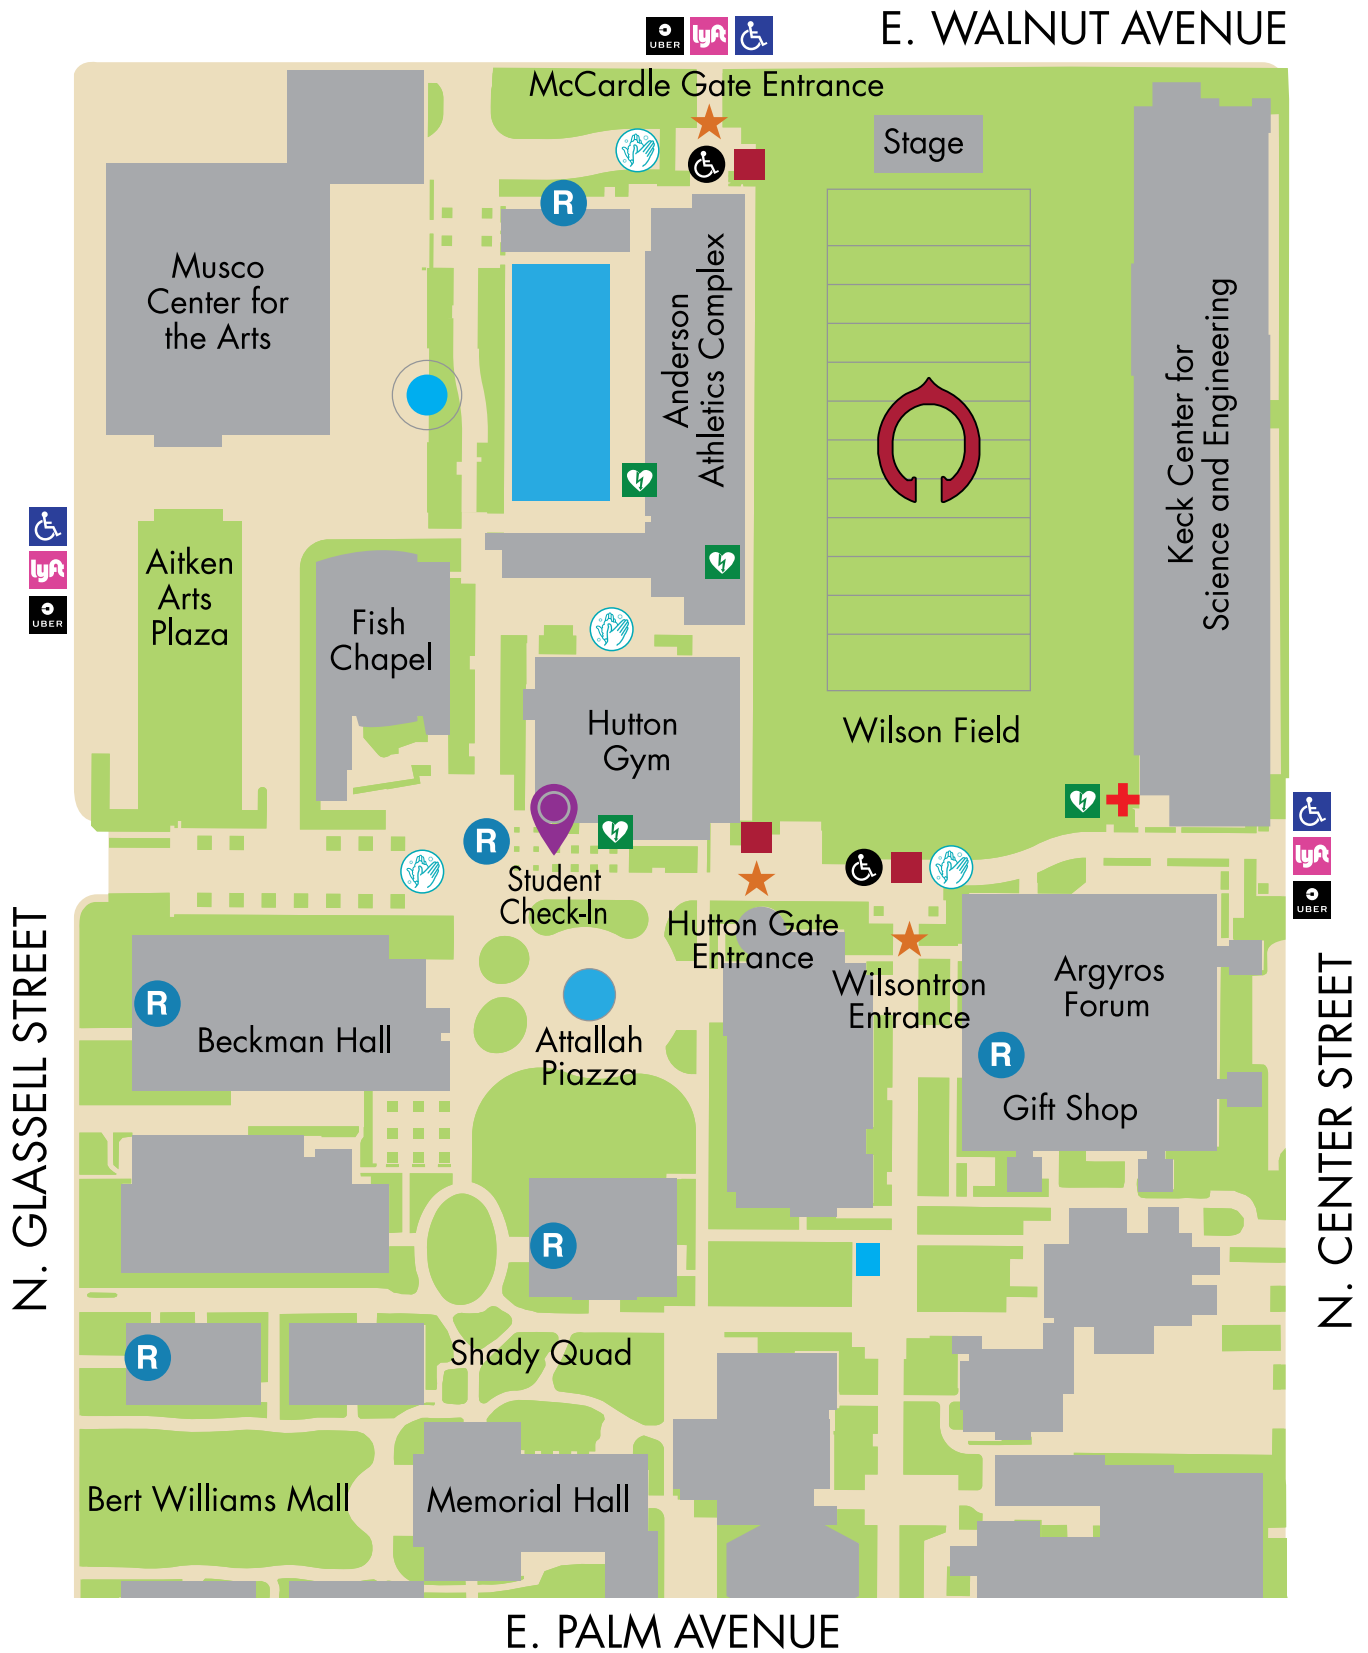

## SEATING

Guest seating is first come, first served in all non-reserved areas. Reserved seats are those inside the white fences or are marked with signs. Parties may save seats for unarrived guests until the beginning of the ceremony. Once the ceremony begins, empty seats must be made available to guests who are seeking seats so that everyone may be accommodated. Guests are requested to remain seated so that everyone may have an unobstructed view of the proceedings.

Each seating row has ample space to accommodate a wheelchair at the end of the aisle. Wheelchairs or other assistive devices are not permitted to block any aisle, by order of the Orange Fire Department.

## SIMULCAST

The Commencement ceremony is simulcast in the air-conditioned Student Union in Argyros Forum. Seating is first come, first served, and capacity is limited. Argyros Forum is wheelchair accessible.
