

COMMENCEMENT 2025

CHAPMAN UNIVERSITY

CHAPMAN UNIVERSITY

COMMENCEMENT 2025

Chapman University is pleased to welcome the graduates and candidates of the Class of 2025 into the ranks of the alumni of the university.

We also welcome friends and family to our celebrations, appreciative of their contribution to our graduates' achievements through their support, sacrifice and encouragement.

Chapman University has made every attempt to include in this program all persons of recognition. If there have been errors of omission, please accept our sincerest apologies.

MISSION STATEMENT

The mission of Chapman University is to provide personalized education of distinction that leads to inquiring, ethical and productive lives as global citizens.

VISION STATEMENT

Chapman University will be a student-centered institution, recognized nationally and internationally as a center of academic and personal excellence that prepares our students to contribute to a global society.

PRESIDENT'S WELCOME

It is my honor to welcome you to the most exciting day of the year on campus, Chapman University Commencement. Commencement is both an exhilarating ending and a beautiful beginning. Though your time as a Chapman student has concluded, you are now embarking on a journey into a future where curiosity drives your achievement. Equipped with a world-class education, experiences and connections, you truly have the power to define your course from this moment onward.

It is an exciting ending and beginning for me personally as well. This will be my final Commencement as Chapman president, as I will step down this fall after nine years leading this great university. Some people don't know what to do with themselves when they retire, but because of education, I have more to do than time to do it. Curiosity has been a constant in my life – a gift, given to me by education – and as I prepare to retire as president, I feel like the whole world is opening up to me. I am returning to the mathematics faculty, training to climb some of the tallest mountains in the world, and learning a new language because I still have the same drive to learn and grow that I had as a teenager.

Class of 2025, today is also a grand gift to you, as you get to celebrate your incredible achievement surrounded by your friends and families. You may not have thought you would ever get here, and you might not be sure where you are going next, but the gift of education is that you will move forward with a sense of intellectual mobility that will serve you well in whatever you do.

Your education is the foundation for your future, and Chapman University stands with you as you ready for a new journey. Here, you have cultivated your knowledge, broadened your worldview and formed deep relationships. I encourage you to stay connected with those who supported you along the way, whether professors, staff members or fellow students. If you remember where you came from and nurture those bonds, they will last a lifetime. The Chapman Family will forever be there to push you forward as you seek your next summit.

Congratulations, Panthers!

Daniele C. Struppa, Ph.D.

As of 05/12/2025

The PHI BETA KAPPA *Society*

PSI Chapter of California at Chapman University

In 2018, following a lengthy and rigorous application process, Chapman University was granted a chapter of Phi Beta Kappa – a significant achievement in the history of the university. The Phi Beta Kappa Society, founded on Dec. 5, 1776, at the College of William and Mary, is the nation's oldest and most prestigious academic honor society.

Phi Beta Kappa honors the best and brightest liberal arts and sciences undergraduates from top schools across the nation

through a highly selective, merit-based invitation process. It is a rare honor. Just 10 percent of U.S. colleges and universities have Phi Beta Kappa chapters. These chapters select only 10 percent of their arts and sciences graduates to join. Phi Beta Kappa has nearly 50 alumni associations and more than half a million members worldwide. Noteworthy members include 17 U.S. Presidents, 40 U.S. Supreme Court Justices and more than 140 Nobel Laureates.

Chapman University congratulates the students from the class of 2025 selected to join the distinguished ranks of Phi Beta Kappa:

CHEVERTON AWARD RECIPIENT

The Cecil F. Cheverton Award is bestowed on an outstanding graduating senior and is the highest student honor for undergraduates. The recipient is selected by faculty through a competitive process. The original bronze

Cheverton Award cup remains on exhibit in Argyros Forum along with its successor, a silver bowl. The names of all Cheverton awardees since 1929 are engraved upon these trophies.

JAMIE CHIN '25

Chin is graduating with a Bachelor of Science in Chemistry and a Bachelor of Arts in French. She was deeply involved in undergraduate research, working as a Stauffer-Fletcher Jones Research Scholar under Dr. Cedric Owens, and participated in research projects at KTH Royal Institute of Technology in Stockholm, Sweden, and the University of

Washington. She served as President of Chapman's student chapter of the American Chemical Society, was a member of the Schmid Student Leadership Council, and was a four-year member of the women's water polo team. After Chapman, Jamie will continue her chemistry education by pursuing a Ph.D. in chemistry at UT Austin.

DOTI AWARD RECIPIENTS

The James L. Doti Outstanding Graduate Student Award is bestowed annually and is the highest honor for graduate students at Chapman University. The original Doti Award trophy, incorporating artist Nick Hernandez's sculpture,

Emergence, remains on perpetual exhibit in Argyros Forum. The names of all Doti Award recipients are engraved upon the trophy.

IARA GONZALEZ-ASCENCIO, MA '24

Gonzalez-Ascencio is an exceptionally resilient and accomplished scholar who has completed her degree with academic distinction and significantly contributed to international studies. Her thesis on digital feminism and women's social movements in Mexico demonstrates methodological rigor and deep ethical engagement, earning recognition at the upcoming International Political

Science Association Conference. Her work is rooted in lived experience and demonstrates a strong commitment to marginalized communities, particularly migrant women under violence. In addition to her scholarly output, Iara has shown inspiring dedication, leadership and perseverance, making her a powerful example of academic excellence and social impact.

ANIKA PATEL, Ph.D. '25

Patel is a highly accomplished and driven professional whose achievements in pharmaceutical sciences are marked by a strong passion for translational cancer research. After earning her PharmD from the University of the Pacific, she pursued a Ph.D. at Chapman University, successfully defending her Ph.D. dissertation in early April on "Development of Pharmaceutical Inhibitors Targeting

nNOS for Melanoma Treatment." Her work has led to two first-author publications in Tier 1 journals, another finalized manuscript pending submission, and a first-author review article on oral chemotherapy. Her exceptional communication, time management and organizational skills have earned her recognition as a standout leader and researcher.

CLASS OF 2025 HONORS AND AWARDS

OUTSTANDING SENIOR AWARDS

For outstanding leadership and dedicated service to the quality of life and community at Chapman University.

Annika Carlson
Pria Chawla
Ria Chawla
Raniyah Chishti
Emily Drum
Daisy Fernandez-Reyes
Eric Hall
Holland Hatch
Paige Ho
Lyndsey Huss
Cristina Inboden

Kendall Lawrence	Teagan Wall
Kevin Le	Hannah Wells
Sarah Maloney	Eliza Wenger
Paola Martini	

GONFALONS

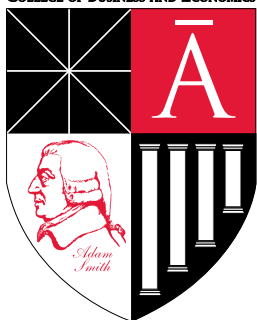

The gonfalons, or banners, used in the ceremonies represent the schools and colleges at Chapman University. The central focus of each one is a shield divided into four quadrants. The upper left quadrant holds the Chapman window, an architectural feature that may be seen on many campus structures and that has become an important Chapman icon. In the lower right quadrant is

a representation of the Four Pillars comprising Chapman education: Intellectual, Spiritual, Social and Physical. The actual four pillars may be seen supporting the front portico of Memorial Hall. The remaining two quadrants in the shield contain images symbolizing aspects of the spirit of its school or college.

ACADEMIC REGALIA

The tradition of academic processional and academic apparel goes back to the early days of the oldest European universities when gowns and hoods began to be required in the fourteenth century. Academic apparel indicates the most advanced degree held by the wearer. Bachelor's, master's and doctoral degrees are distinguished by the variation in sleeve length of the gowns and by the length and width of the edging of the hoods.

The color of the edging of the hood indicates the subject of degree (e.g., white for arts, tan for business, light blue for education, pink for music, gold for science, scarlet for theology), and the colors of the lining of the hood indicate

the school from which the degree was received. Dark blue, or "Ph.D. blue," is reserved exclusively for the Doctor of Philosophy degree. The Ph.D. is the highest academic degree that can be earned and represents a rigorous and extensive program resulting in breadth and depth of knowledge and expertise in a discipline. The doctor's degree is further distinguished by the panels on the sides of the hood, the gold tassel on the cap, and the velvet trim on the gown.

Chapman University has designed special apparel for use by the members of the Board of Trustees. The Chapman trustee gowns are black with cardinal velvet and grey trim.

EXPLANATION OF CANDIDACY

CANDIDACY

Candidacy for degrees and academic honors is based on a preliminary review of the academic records of students applying for degree conferral in the respective term. Degrees and honors are considered official when all grades are received and all requirements for degree fulfillment and/or honors are met. Some students may have met all requirements, but because of printing deadlines, are not listed here as candidates.

PARTICIPATION IN COMMENCEMENT

A student's participation in the Commencement ceremony does not guarantee or automatically imply graduation from Chapman University. A diploma will be issued only when all academic requirements are complete and all financial accounts are cleared.

CHAPMAN UNIVERSITY ALUMNI ASSOCIATION

Congratulations, Class of 2025!

As you reflect on your Chapman experience - from the first moment you walked on campus to the completion of your final exam, paper or performance - I hope it has been a truly enriching and memorable experience. The events you've experienced, the people you've met, and the goals you've achieved make your Chapman journey unique. While graduation marks the culmination of your time here, your journey as a Panther is just entering its next chapter.

You are now part of a global alumni community of almost 60,000 graduates. Your unique Chapman experience will contribute to your future pathway as alumni. Our alumni lead inquisitive, ethical, and productive lives, inspiring the world around them, and we look forward to the contributions you will bring.

We encourage you to explore the array of opportunities and resources available to alumni, all designed to support you along your journey. From ongoing access to career services, to engaging in meaningful activities like volunteering, mentorship, and networking events, there are many ways to stay connected and involved. The relationships you've formed here at Chapman will stay with you, all while you continue to foster new relationships with your fellow alumni.

Once again, congratulations, and welcome to the alumni community!

CHAPMAN UNIVERSITY

GUIDELINES FOR GUESTS

EMERGENCY AID

Basic emergency medical care is available on campus during Commencement. First-aid stations are located on Wilson Field. Please contact a public safety officer or Chapman Commencement team member for immediate assistance.

GIFTS AND MEMORABILIA

The Agora Gift Shop is open in Argyros Forum, first floor.

Flower vendors are located across campus for purchase of fresh leis and wrapped flowers.

PHOTOGRAPHS

Professional photographers from Pro Pics will be onstage to take photos of each graduate. Family members and guests may not be near the stage during the ceremony to take photos. Pro Pics will send proofs and ordering information directly to graduates shortly after Commencement. Guests are requested to remain in their seats and not approach the graduates at any time during the ceremony.

PHOTO RELEASE

Chapman University's Commencement ceremonies are public events that are videotaped, photographed and recorded. By attending, graduates and guests give permission for the university to photograph and record their voices and likenesses in all proceedings. Chapman University reserves the right to convert recordings and photographs into any format that exists now or may be devised in the future for the purposes of archiving or broadcasting such images and sound recordings.

RESTROOMS

Portable sanitation trailers are located in front of the Fish Interfaith Center and outside Wilson Field near the northwest gate at Walnut Street. Guests with disabilities should use accessible restrooms in nearby buildings. A map is located on the opposite page.

PROHIBITED ITEMS

The university requests the cooperation of all graduates and guests in observing strict regulations required for protection of venue surfaces. No food, beverages, chewing gum, cigarettes or vaping devices, party novelties, confetti, balloons or pets are permitted at ceremonies. Guests are asked to discard or put away prohibited items when on Wilson Field. Water stations are provided on the field by the university for guests' comfort.

SEATING

Guest seating is first come, first served in all non-reserved areas. Reserved seats are those inside the white fences or are marked with signs. Parties may save seats for unarrived guests until the beginning of the ceremony. Once the ceremony begins, empty seats must be made available to guests who are seeking seats so that everyone may be accommodated. Guests are requested to remain seated so that everyone may have an unobstructed view of the proceedings.

Each seating row has ample space to accommodate a wheelchair at the end of the aisle. Wheelchairs or other assistive devices are not permitted to block any aisle, by order of the Orange Fire Department.

SIMULCAST

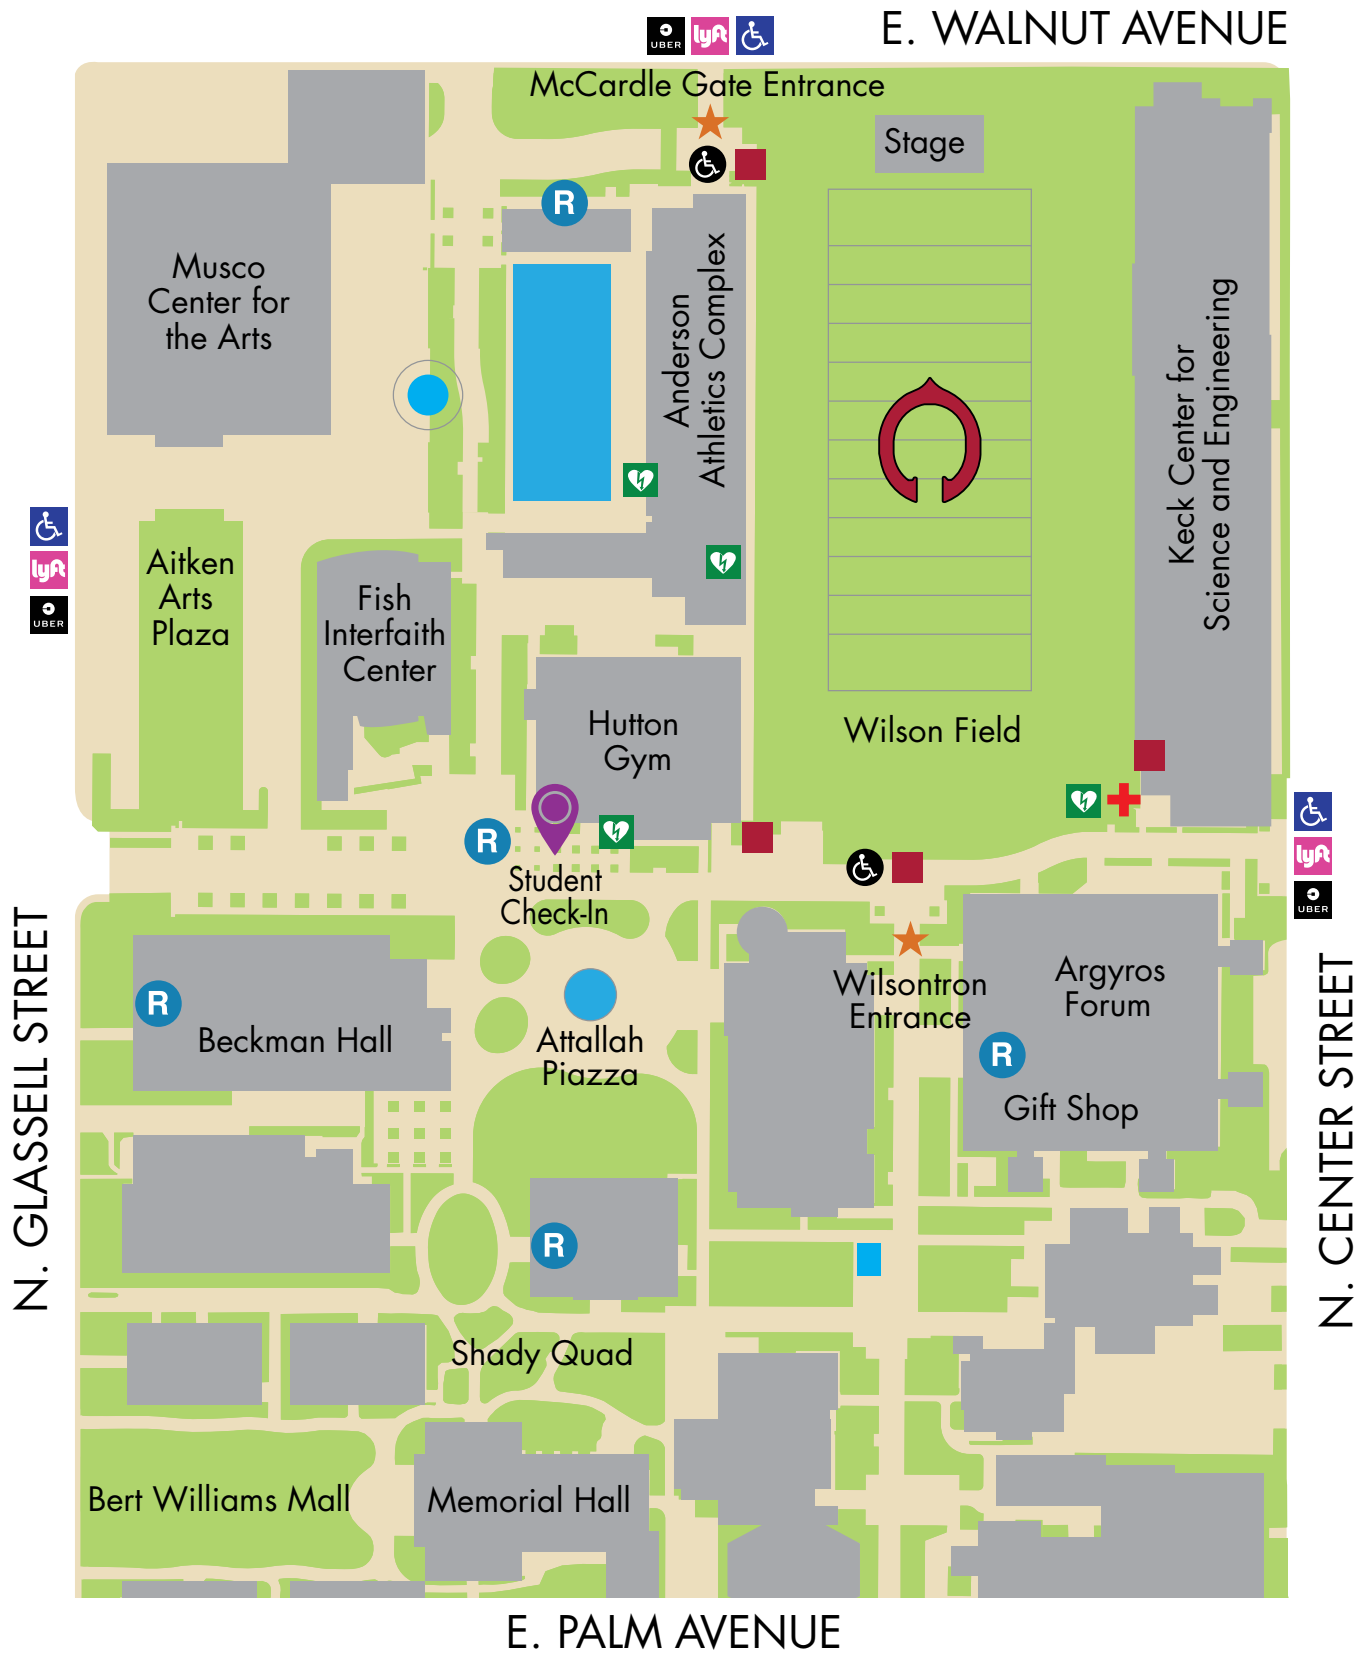

The Commencement ceremony is simulcast in the air-conditioned Student Union in Argyros Forum. Seating is first come, first served, and capacity is limited. Argyros Forum is wheelchair accessible.
