## COMMENCEMENT 2026

Chapman University is pleased to welcome the graduates and candidates of the Class of 2026 into the ranks of the alumni of the university.

We also welcome friends and family to our celebrations, appreciative of their contribution to our graduates' achievements through their support, sacrifice and encouragement.

Chapman University has made every attempt to include in this program all persons of recognition. If there have been errors of omission, please accept our sincerest apologies.

---

### MISSION STATEMENT

The mission of Chapman University is to provide personalized education of distinction that leads to inquiring, ethical and productive lives as global citizens.

---

### VISION STATEMENT

Chapman University will be a student-centered institution, recognized nationally and internationally as a center of academic and personal excellence that prepares our students to contribute to a global society.

# PRESIDENT'S WELCOME

---

Dear Graduates,

On behalf of all of us at Chapman University, I want to offer my heartfelt congratulations to you on this incredible milestone. Today marks the culmination of not only your final academic year, but of a significant personal journey – one shaped by challenge, growth, and resilience. Commencement is a time of celebration, reflection, and anticipation, and it is my honor to welcome the Class of 2026, your families, and all the members of the Chapman Family who have taught you and supported you to this momentous day.

This Chapman Commencement is especially meaningful to me. I have attended many of these ceremonies in the past, but this will be my first as president. The Class of 2026 will always hold a special place in my heart because of it.

Your time at Chapman has been defined by more than coursework alone. You pursued an education grounded in our four pillars – spiritual, intellectual, physical, and social – designed to support your development as a whole person. Through Chapman's personalized education of distinction and a strong, supportive community, you cultivated your knowledge, broadened your worldview, and formed lifelong relationships.

As you formally become members of the Chapman alumni community, you carry with you not just knowledge, but also perspective. Whether you return to your hometown, build your future here in Southern California, continue your education, or discover new opportunities elsewhere, you are equipped to see the world with clarity and compassion and to make a meaningful difference wherever your path leads.

I could not be prouder to be part of the Chapman Family, and I want you to know that this family will always be here for you. Your connection to Chapman does not end today. The professors who taught and mentored you remain invested in your success. The administrators who supported you will be here to celebrate what comes next. The alumni who sat where you sit today stand ready to open doors and make connections. This is a family you will always belong to.

Carry the name of Chapman with pride wherever you go, and let all that you have learned here inspire you to do great things.

Congratulations, Panthers!

*The* **PHI BETA KAPPA** *Society*

*PSI Chapter of California at Chapman University*

In 2018, following a lengthy and rigorous application process, Chapman University was granted a chapter of Phi Beta Kappa – a significant achievement in the history of the university. The Phi Beta Kappa Society, founded on Dec. 5, 1776, at the College of William and Mary, is the nation’s oldest and most prestigious academic honor society.

Phi Beta Kappa honors the best and brightest liberal arts and sciences undergraduates from top schools across the nation

through a highly selective, merit-based invitation process. It is a rare honor. Just 10 percent of U.S. colleges and universities have Phi Beta Kappa chapters. These chapters select only 10 percent of their arts and sciences graduates to join. Phi Beta Kappa has nearly 50 alumni associations and more than half a million members worldwide. Noteworthy members include 17 U.S. Presidents, 40 U.S. Supreme Court Justices and more than 140 Nobel Laureates.

# CHEVERTON AWARD RECIPIENT

---

The Cecil F. Cheverton Award is bestowed on an outstanding graduating senior and is the highest student honor for undergraduates. The recipient is selected by faculty through a competitive process. The original bronze

Cheverton Award cup remains on exhibit in Argyros Forum along with its successor, a silver bowl. The names of all Cheverton awardees since 1929 are engraved upon these trophies.

## EMIKO LIN IWASAKI '26

Emi is graduating with a Bachelor of Science in Biochemistry and Molecular Biology and a Bachelor of Arts in Psychology, with a minor in the University Honors Program. During her time at Chapman, she conducted undergraduate research in neuropharmacology, microbiology, and epidemiology under the mentorship of faculty. On campus, she served as a supplemental

instructor for organic chemistry, co-president of the American Medical Student Association, and a member of the Schmid Student Leadership Council. Off campus, she gained clinical experience as an EMT with Lynch Ambulance and CHOC. After Chapman, Emi plans to take a gap year to apply to medical school.

# DOTI AWARD RECIPIENTS

---

The James L. Doti Outstanding Graduate Student Award is bestowed annually and is the highest honor for graduate students at Chapman University. The original Doti Award trophy, incorporating artist Nick Hernandez's sculpture,

*Emergence*, remains on perpetual exhibit in Argyros Forum. The names of all Doti Award recipients are engraved upon the trophy.

## RUDY TIEU CHANG, PH.D. '26

Rudy Tieu Chang is recognized for outstanding scholarly achievement, leadership, and service at Chapman. Since joining the CUSP PhD program in 2022, he has co-authored five peer-reviewed publications and a book chapter, serving as first or co-first author on three. He has presented internationally, earning recognition at the Alzheimer's Association International Conference and

CUSP Research Day. A 2026 CUSP Graduate Fellow, Rudy is also a dedicated mentor and student leader, organizing Research Day and leading educational programs that strengthened community partnerships and outreach. His accomplishments reflect academic excellence, resilience, and a strong commitment to others.

## MARGARET ELYSIA GARCIA, MFA '26

Margaret Elysia Garcia is a multidisciplinary writer published in poetry, fiction, and nonfiction, addressing urgent social and political issues. Her poetry chapbook *Iconistas!* (2025) and forthcoming story collection *Chicana Noir & Other Stories* highlight her creative impact. She co-edited *Red Flag Warning* (2025), a Golden Poppy Award finalist, exploring wildfire resilience. Margaret

has presented at major literary events and contributed to research on historical narratives as a Graduate Assistant. She has also published work in literary journals and engaged diverse audiences through public talks. Her extensive publications and commitment to socially engaged storytelling exemplify excellence, creativity, and meaningful cultural impact.

# GONFALONS

The gonfalons, or banners, used in the ceremonies represent the schools and colleges at Chapman University. The central focus of each one is a shield divided into four quadrants. The upper left quadrant holds the Chapman window, an architectural feature that may be seen on many campus structures and that has become an important Chapman icon. In the lower right quadrant is

a representation of the Four Pillars comprising Chapman education: Intellectual, Spiritual, Social and Physical. The actual four pillars may be seen supporting the front portico of Memorial Hall. The remaining two quadrants in the shield contain images symbolizing aspects of the spirit of its school or college.

# ACADEMIC REGALIA

The tradition of academic processional and academic apparel goes back to the early days of the oldest European universities when gowns and hoods began to be required in the fourteenth century. Academic apparel indicates the most advanced degree held by the wearer. Bachelor’s, master’s and doctoral degrees are distinguished by the variation in sleeve length of the gowns and by the length and width of the edging of the hoods.

The color of the edging of the hood indicates the subject of degree (e.g., white for arts, tan for business, light blue for education, pink for music, gold for science, scarlet for theology), and the colors of the lining of the hood indicate

the school from which the degree was received. Dark blue, or “Ph.D. blue,” is reserved exclusively for the Doctor of Philosophy degree. The Ph.D. is the highest academic degree that can be earned and represents a rigorous and extensive program resulting in breadth and depth of knowledge and expertise in a discipline. The doctor’s degree is further distinguished by the panels on the sides of the hood, the gold tassel on the cap, and the velvet trim on the gown.

Chapman University has designed special apparel for use by the members of the Board of Trustees. The Chapman trustee gowns are black with cardinal velvet and grey trim.

# EXPLANATION OF CANDIDACY

---

## CANDIDACY

Candidacy for degrees and academic honors is based on a preliminary review of the academic records of students applying for degree conferral in the respective term. Degrees and honors are considered official when all grades are received and all requirements for degree fulfillment and/or honors are met. Some students may have met all requirements, but because of printing deadlines, are not listed here as candidates.

## PARTICIPATION IN COMMENCEMENT

A student's participation in the Commencement ceremony does not guarantee or automatically imply graduation from Chapman University. A diploma will be issued only when all academic requirements are complete and all financial accounts are cleared.

# CHAPMAN UNIVERSITY ALUMNI ASSOCIATION

---

Congratulations, Class of 2026!

As you reflect on your Chapman experience - from the first moment you walked on campus to the completion of your final exam, paper or performance - I hope it has been a truly enriching and memorable experience. The experiences you've had, the people you've met, and the goals you've achieved make your Chapman journey uniquely your own. We are grateful to the faculty, staff, families, and friends who supported you every step of the way. While graduation marks the culmination of your time here, your journey as a Panther is just entering its next chapter.

You are now part of a global alumni community of almost 80,000 graduates. Your unique Chapman experience will contribute to your future pathway as alumni. Our alumni lead inquisitive, ethical, and productive lives, inspiring the world around them, and we look forward to the contributions you will bring.

We encourage you to explore the array of opportunities and resources available to alumni, all designed to support you along your journey. From ongoing access to career services, to engaging in meaningful activities like volunteering, mentorship, and networking events, there are many ways to stay connected and involved. The relationships you've formed here at Chapman will stay with you, all while you continue to foster new relationships with your fellow alumni.

Once again, congratulations, and welcome to the alumni community!

# GUIDELINES FOR GUESTS

---

## EMERGENCY AID

Basic emergency medical care is available on campus during Commencement. The first-aid station is located on Wilson Field. Please contact a public safety officer or Chapman Commencement team member for immediate assistance.

## GIFTS AND MEMORABILIA

The Agora Gift Shop, located on the first floor of Argyros Forum, will open 30 minutes prior to the first ceremony and will close at the start of the final ceremony.

## PHOTOGRAPHS

Professional photographers from ProPics will be onstage to take photos of each graduate. Family members and guests may not be near the stage during the ceremony to take photos. ProPics will send proofs and ordering information directly to graduates shortly after Commencement. Guests are requested to remain in their seats and not approach the graduates at any time during the ceremony.

## PHOTO RELEASE

Chapman University's Commencement ceremonies are public events that are videotaped, photographed and recorded. By attending, graduates and guests give permission for the university to photograph and record their voices and likenesses in all proceedings. Chapman University reserves the right to convert recordings and photographs into any format that exists now or may be devised in the future for the purposes of archiving or broadcasting such images and sound recordings.

## RESTROOMS

Portable sanitation trailers are located in front of the Fish Interfaith Center and outside Wilson Field near the northwest gate at Walnut Street. Guests with disabilities should use accessible restrooms in nearby buildings.

A map is located on the opposite page.

## PROHIBITED ITEMS

The university requests the cooperation of all graduates and guests in observing strict regulations required for protection of venue surfaces. No food, beverages, chewing gum, cigarettes or vaping devices, party novelties, confetti, balloons or pets are permitted at ceremonies. Guests are asked to discard or put away prohibited items when on Wilson Field. Water stations are provided on the field by the university for guests' comfort.

## SEATING

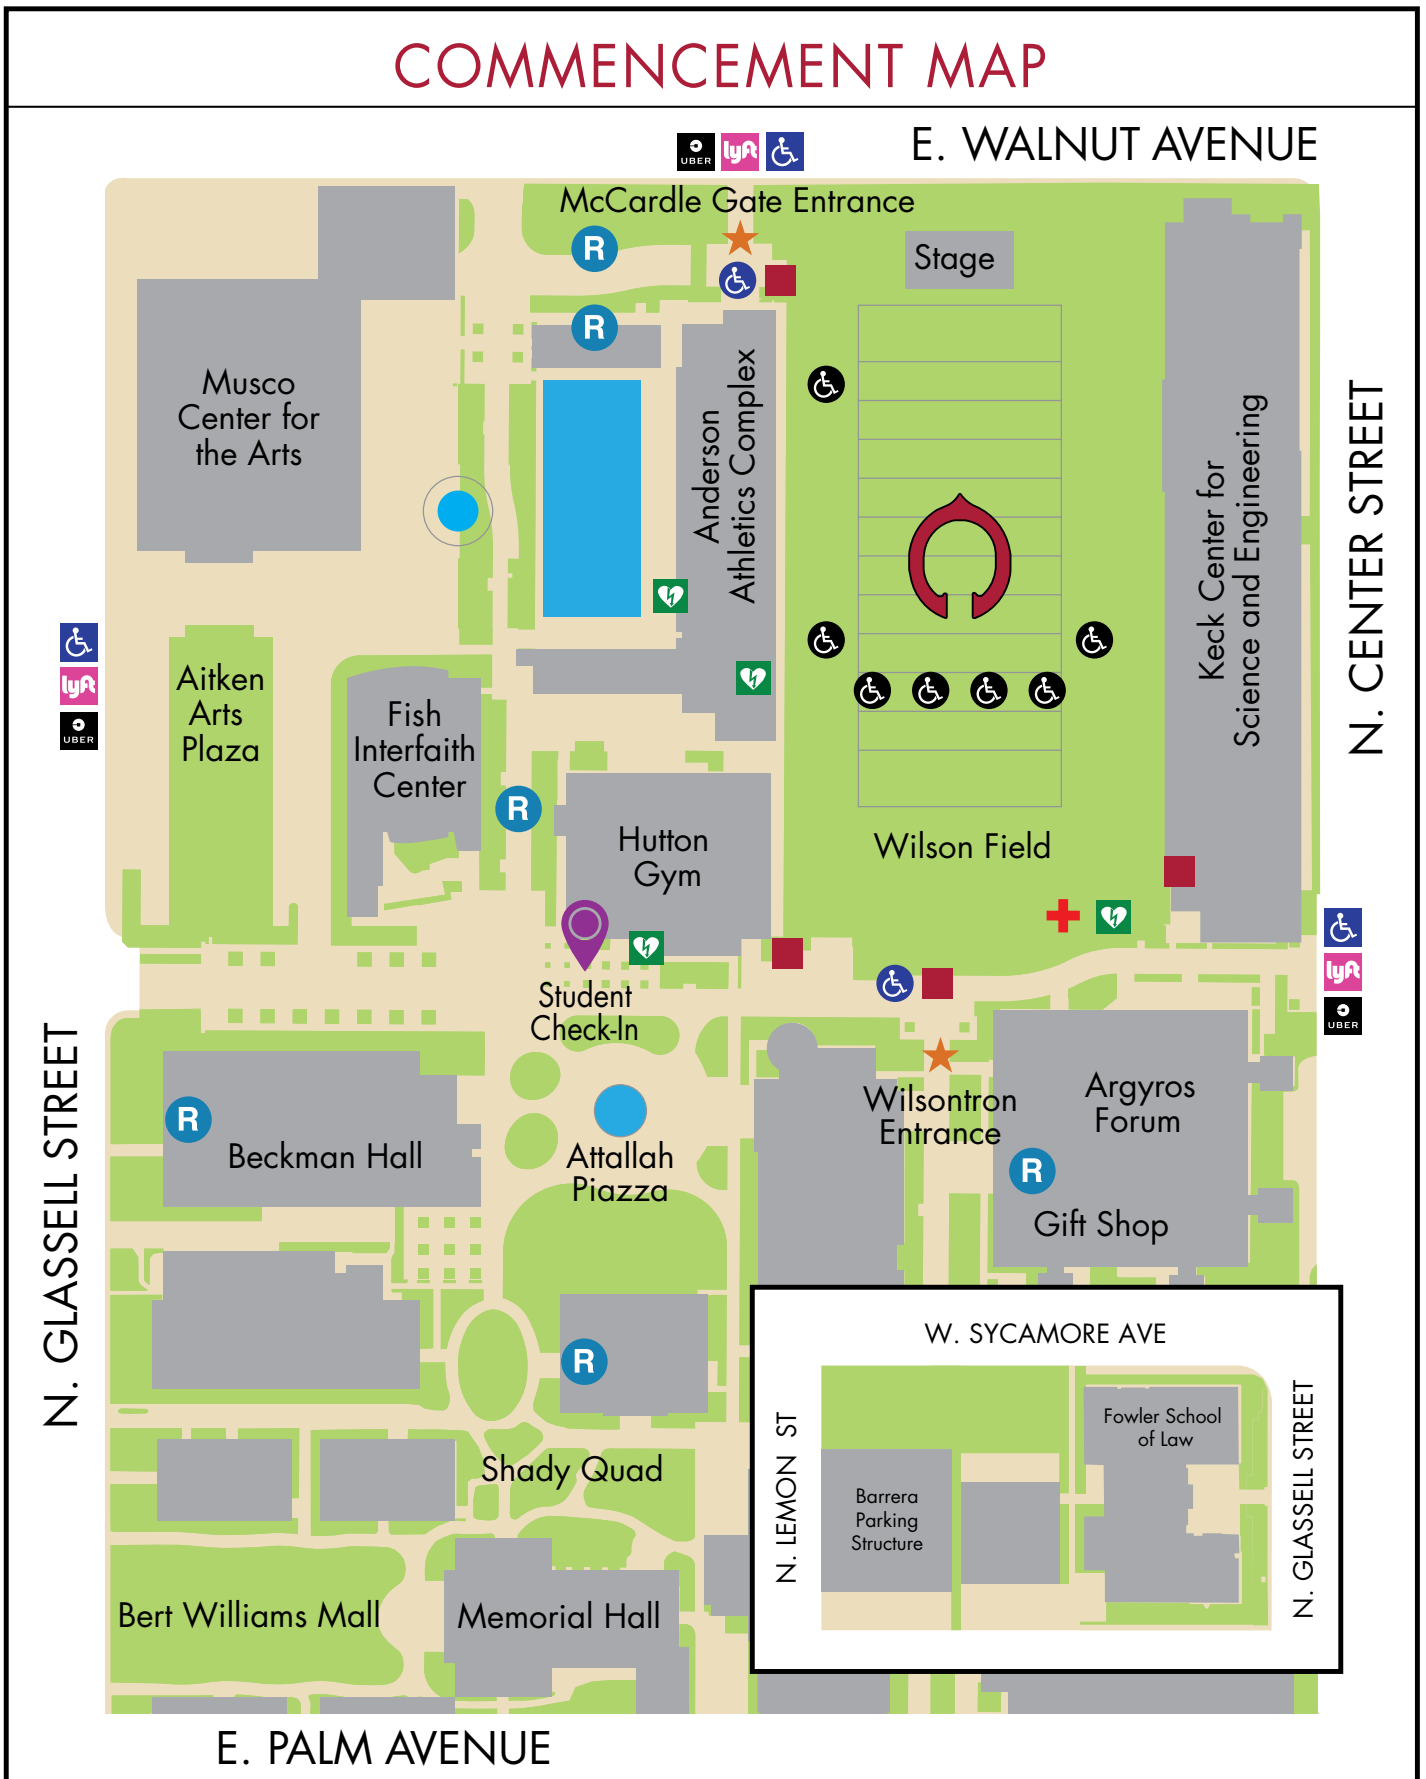

Guest seating is first come, first served in all non-reserved areas. Reserved seats are those inside the white fences or are marked with signs. Parties may save seats for un-arrived guests until the beginning of the ceremony. Once the ceremony begins, empty seats must be made available to guests who are seeking seats so that everyone may be accommodated. Guests are requested to remain seated so that everyone may have an unobstructed view of the proceedings.

Each seating row has ample space to accommodate a wheelchair at the end of the aisle. Wheelchairs or other assistive devices are not permitted to block any aisle, by order of the Orange Fire Department.

## SIMULCAST

The Commencement ceremony is simulcast in the air-conditioned Student Union in Argyros Forum. Seating is first come, first served, and capacity is limited. Argyros Forum is wheelchair accessible.
